ADMINISTRATION OFFICE

COLOUR BEAUTY SCHOOL

Child Safety Policy

Client Satisfaction is paramount at Colour Beauty School, and ensuring the safety and comfort of all our guests, including children, is of utmost importance to us.

We understand the demands and joys of parenthood, and while we strive to make our salon and spa a welcoming environment for all, we regret that we are unable to provide childcare services. For the safety and consideration of all our clients, we have established a policy that prohibits unsupervised children in our student salon and spa.

Clients are responsible for the safety of their children during their visit. While receiving services, guests must ensure that children are under proper supervision, provided by an additional caretaker. Only individuals receiving services are permitted in the service area. Strollers or baby carriers are not allowed on the styling floor or in the spa, and children may not be held by clients or students during services. Children over the age of fourteen are welcome to wait unsupervised in the reception area.

For the safety and well-being of all, guests under the age of 18 must have a parent or legal guardian sign a release of liability waiver on their behalf to receive services. Children under the age of 13 are not eligible for services at Colour Beauty School.

Children aged 13 and under must be accompanied by an adult caregiver at all times while on the premises and are restricted from receiving chemical or facial services. All other services require approval from the Program Director. ***If only one caregiver is present, neither the child nor the caregiver may receive services simultaneously.***

These policies are in place to ensure the safety and satisfaction of all our guests. Our student salon and spa contain potentially hazardous materials and equipment, as well as a fast-paced learning environment.

We sincerely appreciate your cooperation with our Child Safety Policy and thank you for choosing Colour Beauty School for your beauty and wellness needs.
